Before every flight, our seasoned Journey Director conducts detailed pre-flight briefings. These carefully crafted sessions prioritize comprehensive preparation, addressing all facets of the upcoming flight such as; weather conditions, departure procedures, airport diagrams and routing.

## SMALL GROUPS-6 AIRCRAFTS MAX PER JOURNEY

Limiting each journey to a maximum of 6 airplanes, our bespoke adventures feature an average group size ranging from 10 to 15 people. This intentional choice ensures an exclusive and intimate atmosphere, allowing you and your fellow travelers to forge meaningful connections with like-minded aviation enthusiasts.

## SECURITY & AIRCRAFT MAINTANANCE

Air Journey selects only secure airports with paved runways and ICAO standards, prioritizing safety. Additionally, we maintain extensive relationships with repair centers worldwide. In the event of a mechanical issue with your airplane, we coordinate repairs, ensuring a seamless and efficient resolution.

“Our Air Journeys prioritize pilots and their companions, crafting luxurious itineraries that strike a perfect balance between flying, exploring, and relaxation. ”
